OUR ACADEMY

The ACADEMY OF DENTISTRY, TORONTO, has been functioning continuously since 1889. It has provided leadership and service to both the profession and the community, and will continue to do so in the future.

The OBJECTS of the Academy are:

1. Advancement of the art and science of dentistry.
2. To promote the highest ideals of dental practice.
3. Cultivation of harmony and good fellowship among its Fellows, and among the members of the dental profession generally.

Some of the specific services provided are as follows:—

1. The Annual WINTER CLINIC.
2. After hours EMERGENCY TREATMENT service for the public.
3. The Annual INFORMATION BOOK, a directory of dental organizations.
4. The LADIES' AUXILIARY, which provides support for worthy dental projects, and various fellowship activities.
5. PUBLIC RELATIONS, a secretary to answer the public's queries and complaints.
6. An ELECTED COUNCIL, representing all Metro Toronto dentists and their local component societies.
7. CO-ORDINATION of dental and fellowship functions within Metro Toronto.
8. DENTAL MEETINGS with excellent programs and clinicians.
9. Assistance in formation of new STUDY GROUPS.
10. HONOURARY MEMBERSHIP to recognize outstanding dentists.
11. ARCHIVES for historical dental information.
12. Fellowship activities such as the Annual GOLF TOURNAMENT and CURLING BONSPIEL.
13. MEDIATION services for the public.
14. COMMUNICATION with dental auxiliary organizations.
15. LIAISON with local government and other community groups.

**THIS IS OUR ACADEMY.
KEEP IT STRONG.
SUPPORT IT, AND ENJOY IT.**

DR. ROBERT H. PICK

Dr. Pick was born, raised and educated in Toronto's East-end. Following graduation from East York Collegiate Institute, he had a brief career in Accounting with Ontario Hydro. He returned to school and graduated from the University of Toronto, Faculty of Dentistry in 1962. He has been in general practice in the Bay-Bloor area of Toronto since that time.

Dr. Pick is a member of the Canadian Dental Association, the Ontario Dental Association and is an associate member of the Chicago Dental Society.

Dr. Pick became active in the Academy's Winter Clinic in 1970 and has had continuous involvement with that clinic since that time. He has served as a councillor to the Academy for the Central Toronto Dental Society, and has also been a member of the Mediations Committee for that Society. He has been chairman of the Academy's Co-ordinating Committee

and, in 1975, was Chairman of the Dental Division for the United Way for Metropolitan Toronto. In 1974, he served on the National Convention Committee for the Canadian Dental Association and is presently on the Ontario Dental Association Convention Committee for 1980. Dr. Pick is on staff of the Etobicoke General Hospital and is active in that hospital's Dental Emergency Service.

Dr. Pick has two children, Kelly Anne, age 12 and Lisa Shannon, age 9. They are members of the Westway Christian Church in Weston.

Dr. Pick's hobbies and outside interests include gardening, tennis and collecting Canadian postage stamps.

PRESIDENT'S MESSAGE

We in Dentistry are an entire family – our member dentists; our spouses, many of whom are in the Ladies Auxiliary; our dental assistants; our hygienists; our friends from the Laboratory Association and from the ranks of the dental industry.

True, each of us is busy in our own special part of the dental world, but one great common denominator unites us and makes us a vital, cohesive force for the public good – our concern for the dental health of the people in the Toronto Academy of Dentistry's area. As long as we keep this concern for our public in the forefront of our planning, maintaining our high standard of patient care and organizing our efforts to improve and expand that care, our role in the community will become more and more important and our professional image will be enhanced and illuminated.

We invite you and urge you to participate in the Academy's program, to get into the mainstream of organized dentistry and, through communication with other members of the dental family, to expand your knowledge and increase your abilities to deliver good dental service – at the same time, increasing your enjoyment of your profession by becoming a more active, vital part of the family.

- *Plan now to attend the Winter Clinic on Thursday, November 22nd, 1979, at the Royal York Hotel.*
- *The First Stated Meeting will be held on Friday, January 25, 1980 at the Prince Hotel. It will feature Dr. Stephen Moss, Professor and Chairman, Pedodontics, New York University.*
- *The Second Stated Meeting on Wednesday, March 12, 1980, is the very popular "Academy Day" at Base Borden.*
- *This year, the Curling Bonspiel will be held at the Thornhill Country Club on Wednesday, March 5th, 1980.*
- *The Annual Golf Tournament will take place on Friday, June 20th, 1980.*

I would like to thank the Academy Council and the Winter Clinic Committee for their unselfish devotion in attending the many evening meetings and for their generous help and wise guidance in formulating this year's programs.

ROBERT H. PICK, D.D.S.

EMERGENCY SERVICE REPORT

Organized dentistry continues to fulfill that ever present need for emergency dental services. It has been a very interesting and productive year. A debt of gratitude is owed to the past chairmen, retired staff and present team members. Their advice and unstinting efforts have helped in the evolving of the present service.

Finally I wish to applaud the work of my colleagues who participate in the emergency service. With skill and compassion they have alleviated the pain and suffering of a significant segment of our community.

MEDIATIONS COMMITTEE REPORT

The Mediations Committee consists of Academy members who are appointed by the four district societies. The main purpose of the committee is to attempt to resolve complaints lodged by patients in a manner which is fair to both the dentist and patient, thus preventing escalation of the problem.

During the past year, there were approximately 100 written complaints received by the Academy. Several of these were beyond the scope of our committee and as a result were referred to the Royal College of Dental Surgeons.

A very common and frequent complaint concerns fees. It is important to be just and fair to patients. The time factor, as suggested in the O.D.A. preamble of the suggested fee guide should be taken into consideration when restorations in a quadrant are performed in a single appointment. It is essential that patients be informed of dental procedures proposed and the fee involved before proceeding. This will result in fewer complaints after treatment is completed.

In conclusion, I would like to extend my thanks to the Mediations Committee members who have assisted in resolving the numerous problems that have arisen in this past year.

GILBERT CHAPNICK, D.D.S.

UNITED WAY REPORT

The response to our pilot campaign this year was very heartening. We received 50% of our objective with an increase of more than 18% over last year. However, the follow-up of contributors did not result in as good a response and once again we fell just short of our goal. The premature announcement of the United Ways' reaching its goal, which was calculated on previous years donations was definitely a factor.

Please give Bob Wiser, our new Chairman, your full co-operation this coming year and let's get Dentistry over the top.

Respectfully,
RONALD TRAUB, D.D.S.,
United Way for Metropolitan Toronto
Chairman, Dental Division 1978-79
